MEMORANDUM FOR: Chief, HOME

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Cornerstone Laying Trowel

Bill,

1. Please accept my sincere thanks for the beautiful present that Hank delivered yesterday. I think the trowel is fantastic but the music box which houses it puts the icing on the cake. I doubt if you can understand my deep appreciation for this beautiful gift; it will always be something that I will treasure.

2. I do want to thank you also for all the hard work that you and your people did in preparing for the ceremony. According to many people I have talked to, it was really an outstanding event. I've heard many people comment that it is the best of all the ceremonies that we have had. It is really great that it turned out so well when you think of the rainy conditions that we faced.

3. Again, Bill, my many, many thanks for your thoughtfulness--it is deeply appreciated.
